Background (Optional)	
Summary of Plans and Relation to Overall Shared Framework Goals (100 words)	The Indonesia team will target several aspects of the Post-2015 process. First, the team will advocate for access to justice and good governance, as described in the current “Goal 16”, at the national level and promote coordination between the national development agency and the Ministry of Foreign Affairs. Second, on an international level, the team will work to ensure that the Open Government Partnership (OGP) is involved in advocating for Goal 16 in the Post-2015 agenda. Third, the team will aim to ensure that there is an accountability mechanism for implementation of the agenda, especially at the national level.
Activities Proposed (500 words)	<p>The Indonesia team plans to undertake the following activities during 2015:</p> <ol style="list-style-type: none"> 1. International Advocacy on the Post-2015 Development Agenda <ul style="list-style-type: none"> • Work with OGP coalition in Indonesia and partner Sugeng Bahagijo, who sits on the OGP Steering Committee, to call on other OGP countries to support Goal 16 • Host side event in New York during intergovernmental negotiations 2. Campaign on Post-2015 Development Agenda <ul style="list-style-type: none"> • Video campaign to feature the opinions and recommendations from country leaders and other influential actors endorsing goal 16 at the national and global level • Mass media (news paper, radio, television, etc.) campaign to raise awareness about the Post-2015 process • Online campaign to distribute video and other media materials, including through social media 3. Mainstreaming the Post-2015 Agenda at National and Sub-National Levels <ul style="list-style-type: none"> • Work with partners to create civil society version of the Development Annual Workplan that can be submitted as a recommendation to the Indonesian government • Help ensure sub-national government participation in and commitment to Post-2015 process

	<ul style="list-style-type: none"> Organize conference for government, civil society, and private sector stakeholders on accountability and implementation of the Post-2015 agenda <p>4. Build Accountability Mechanism for Post-2015 Development Agenda</p> <ul style="list-style-type: none"> Engage in policy dialogue with government, civil society, and other stakeholders Convene a working group made up of government and civil society representatives to develop a proposed accountability mechanism that can then be used in national-level advocacy Adopt the Social Barometer Index, developed by civil society partners, to evaluate development progress <p>5. Institutional Support to Implementing Partners</p> <ul style="list-style-type: none"> Financial and staff support to INFID
Summary for Board Reports (100 words)	The Indonesia team aims to advocate for Goal 16 at the national level, including agreement on the agendas between national agencies along with international advocacy to ensure OGP countries support Goal 16 as well. At the national level Tifa and INFID will work with the coalition they have formed between the OGP and Post-2015 communities. At the global level the team will use the OGP network to expand its advocacy campaign. The project will also work for an accountability mechanism for the implementation of the Post-2015 Development Agenda at the national level and increase the discourse on the importance of public participation.
